WAR OF THE WALLS

EVENT ANNOUNCEMENT

FOR IMMEDIATE RELEASE

The ultimate clash of the cans is back.

WAR OF THE WALLS returns Saturday December 3rd 2011, hot on the heels of last year's explosive inaugural battle. Five urban street artists will emerge from the alleys and studios to go head to head in a duel of aerosol genius and a larger-than-life race against the clock.

WAR OF THE WALLS is stoked to welcome this year's artists to the stage; RAD 11, ohnoes, Mr Reliable, eltoasto & Broes for an action-packed 2 hour showdown. The illustrious DJ Tom Showtime will send the crowd on a trip with a culmination of hip-hop, funk and all things smooth. Industry experts including last year's winner Adnate and YOU, our most awesome audience, will judge these willing combatants and their works. Only one artist will rise from the battle to be crowned the champion of WAR OF THE WALLS. If you thought last year was huge, brace yourself; because this year they're steppin' it up.

This means War.
